Sir

Adverting to Government Order No P 412-3 Fl 102-19-21 dated 9th July 1920 sanctioning the Budget Estimate for the year 1920-21 I have the honour to state that the question of giving increments to the Octroi clerk and two bill collectors from Rs 12/- to 15/- and Rs 15/- to Rs 20/- each respectively was placed before the Municipal meeting held on 28-9-1920 and it was resolved that the proposed increments to the officials may be given and a recommendation may be made for sanction

2 Provision has been already made in the current year's budget In the Council resolution it is proposed to give only Rs 15/- a month to the Octroi clerk who is also the Registrar of births and deaths in addition to his current duties This increase of Rs 3/- to this clerk seems to be necessary

3 In the case of the two bill collectors it may be brought to the kind notice of Government that some increments to them were sanctioned in the year 1912 During the period of eight years which has elapsed since then the work of the department has increased and the introduction of the professional taxes which are likely to be brought into operation early will involve additional responsibilities upon them

4 In these circumstances I request that sanction of Government may be kindly be obtained for the increments to the Octroi clerk and the two bill collectors from 1st July 1920 as decided by the Council

5 A copy of the resolution of the Council is herein enclosed for your kind
